

2015 - 2016 Snow Plow Contract

Upon payment in full of \$ _____, Keep Right Landscaping will agree to provide snow plow service at the specified address listed below. Service will be performed from November 1st through March 31st for the 2015 - 2016 snow season. Any plows performed before or after this date range will have a charge of \$10.00 per plow.

Trucks will be out 24/7 and will provide a maximum of 2 plows per 24 hour period when a natural accumulation of 2 inches occurs.

Please note:

- * We will do our best to provide service by times requested but due to the unpredictable nature of snowfall, we must have ample time to make requests possible.
- * Severe weather conditions or equipment breakdowns may slow down service.
- * We will stake driveway after payment has been received, no later than November 1st, 2015. When season is over, please leave stakes out for easy pick up by Keep Right.
- * We do not open or close gates for service due to time restrictions.

Please return a signed copy of this contract with payment and keep the other copy for your records.
